International Students, Scholars & Their Families! Country Western Line Dance

Kick up your heels!

Come out and dance!

Beginning Western Line Dance lessons provided!

No experience, no partner necessary

If you enjoyed the Square Dance, you will love line dancing.

This is a popular dance form with young and old alike all over the US, and all over the world. There are well-organized groups in Canada, England, Australia and Germany, just to name a few, with Country Western radio stations broadcasting the music. The foot stomping / hand slapping dances are done to traditional Country Western music and cross-over disco sounds. It's easy, it's fun, and it's very American.

Casual dress, jeans and T-shirts are fine. You should wear boots or shoes with smooth soles that slide on a hard wood floor. It's hard to dance in sneakers.

Friday night, February 18 6:30 – 9:00 pm
Brighton Town Lodge, 777 Westfall Road

(It's in the log cabin, back from the road, next door to the Islamic Center)
